

Marysville & Lake Mountain Snow Tour

FULL DAY TOUR

Marysville & Lake Mountain Snow K80

- Stop at Marysville Country Bakery • Ski lessons available
- Complete ski-hire • Great for beginners

Depart Melbourne travelling east through the Black Spur. Stop for morning tea (own expense) at the lovely town of Marysville, which was devastated by the Black Saturday Bushfires in 2009. Enjoy a short tour of the area before arriving at the Lake Mountain Resort with its modern facilities and new ski-hire. There are great deals on ski lessons and equipment hire (see price panel). This area is ideal for beginners and cross-country skiing. Enjoy fantastic toboggan runs - great for the whole family! Stop for a snack or meal at the café/restaurant. Then relax or have a snooze on the return journey to Melbourne.
