Uluru Sunrise & Afternoon Kata Tjuta

Code: Y52

Highlights: • Sunrise at Uluru • Kata Tjuta (the Olgas) • Valley of the Winds walk

Travel to the sunrise viewing area, Talinguru nyakuntjaku, to watch the first light of the day creep across the desert plains at Uluru. Enjoy a cup of tea or coffee and biscuits as the morning sun slowly changes the colour of Uluru. In summer watching sunrise at Uluru in the cool morning air is the perfect start to the day. In winter months we recommend a jacket as the desert air can be cold. After sunrise return to Ayers Rock Resort for time at leisure.

This afternoon meet up with a Driver/Guide and travel to Kata Tjuta (the Olgas). You will learn about the geological history of these giant domes. Your Driver/Guide will then escort you on a 2-3 hour walk in the valley between the massive red conglomerate rock. The walking path is rocky and requires a good level of fitness. Marvel at the unique flora and fauna that has survived in this harsh environment. When you reach the Valley of the Winds lookout, take some time to gaze out over the central valley of Kata Tjuta. Then take in a magnificent outback sunset at Kata Tjuta while enjoying a complimentary glass of sparkling wine.
